Credit Card Charge Authorization Form

Your completion of this authorization form helps us to protect you, our valued customers, from credit card fraud. All information entered on this form will be kept strictly confidential. This form is required for all credit cards your company may use to purchase goods. An authorization hold will be processed as soon as your order is placed so the funds will be available when the order has shipped. When the goods have shipped your card will be charged for the goods as well as any sales tax or freight charges upon completion of the order. If you no longer want to be on credit card terms with Paiho North America, you will need to submit a credit application which is available on our web site or from your account executive. Until new terms are approved your credit card will continue to be charged.
