About Paiho

The PAIHO Group has been manufacturing hook and loop fasteners and other related products for over 35 years. With five manufacturing facilities across the world we have the capacity to produce more lineal yards than any manufacturer. Our products range from hook and loop to Easy Tape® molded hook, elastics, webbings/ trims, draw cords/ shoe laces, specialty fabrics and reflective products.

PAIHO NORTH AMERICA is the largest, factory owned hook and loop company in all of North America. Working with PAIHO North America means you still have the advantage of factory direct pricing without long lead times or communication delays. We pride ourselves on exceptionally high levels of quality in our products, along with our personalized services and short lead times. Our ability to offer **Vendor Managed Inventory programs, customized packaging solutions, and in-house fabrication** are just a few reasons why PAIHO North America has been named the preferred vendor for many globally known brands.
