

QUALITY YOU CAN STICK WITH

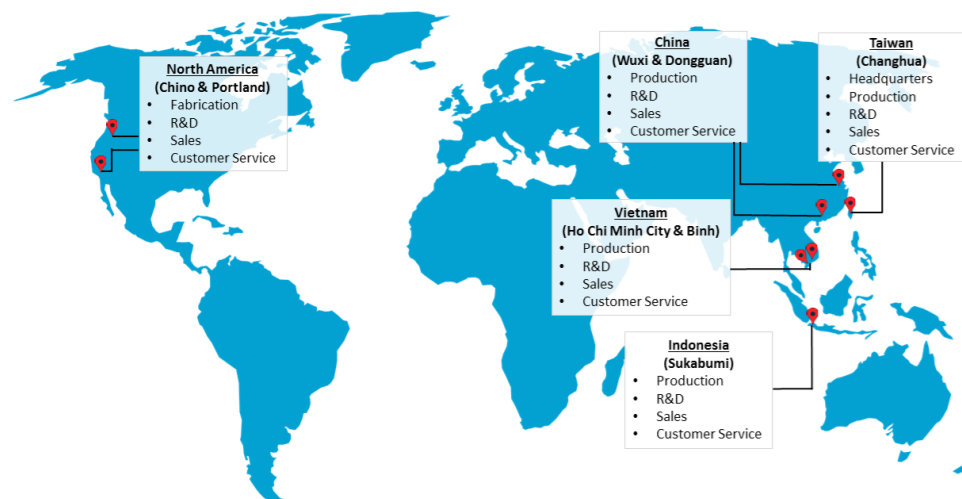

About Paiho

The PAIHO Group has been manufacturing hook and loop fasteners and other related products for over 35 years. With five manufacturing facilities across the world we have the capacity to produce more lineal yards than any manufacturer. Our products range from hook and loop to Easy Tape® molded hook, elastics, webbings/ trims, draw cords/ shoe laces, specialty fabrics and reflective products.

PAIHO NORTH AMERICA is the largest, factory owned hook and loop company in all of North America. Working with PAIHO North America means you still have the advantage of factory direct pricing without long lead times or communication delays. We pride ourselves on exceptionally high levels of quality in our products, along with our personalized services and short lead times. Our ability to offer **Vendor Managed Inventory programs, customized packaging solutions, and in-house fabrication** are just a few reasons why PAIHO North America has been named the preferred vendor for many globally known brands.

Worldwide Locations

Terms and Conditions

Minimum orders may apply. Orders less than the minimum will be subject to a service fee. Standard goods are subject to a 30-day return period from the invoice date upon approval. All returns must have an RMA Number which is assigned by our Accounting Department. Unauthorized returns will be refused. Restocking fee of 25% may apply. Special order and fabricated items cannot be returned.

Tactical Applications

Woven Hook & Loop

An industry-leading touch fastener with extremely high cycle life. Certified to Military Specifications (Mil-Spec).

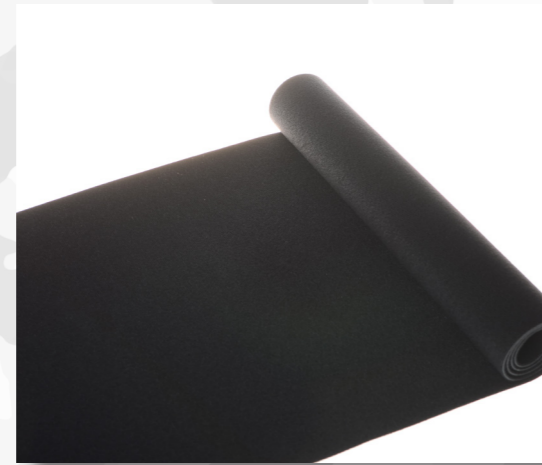

- Hook: 9 mil, 8 mil, or 6.5 mil
- Loop: Napped or Unnapped
- Material: Nylon or Polyester
- Colors: See color card
- Widths: 1/2"-6"

ETB-09/ETB9-6 Knit Loop

Soft, low-profile knit loops with good cycle life. ETB-09 works well with less aggressive Easy Tape® molded hooks and ETB9-6 works with more aggressive hooks. Also available in back-to-back.

- Material: Nylon
- Widths: Up to 58"
- Colors: Black, White
- Recommended Hook: ETN-32C/62I

1057 Unnapped Loop

This soft, high cycle unnapped loop is specially designed to pair with our more aggressive Easy Tape® molded hooks.

- Material: Nylon
- Widths: 5/8"-4"
- Colors: Black, White, Others by request
- Recommended Hook: ETN-62I

Wide Circular Knit Loop

This circular knit loop is an industrial strength product designed for high cycle applications.

- Material: Nylon with Acrylic Coating
- Width: 60"
- Color: Black
- Recommended Hooks: Standard Woven Hook, ETN-32C, ETN-62I

ETN-32C

This Easy Tape® molded hook has lower peel and shear strength than the ETN-62I and works well for medium cycle applications.

- Material: Cold Resistant Nylon
- Colors: Black, White, Clear
- Recommended Loop: ETB-09

ETN-62I/ETR-62S

These Easy Tape® molded hooks offer high cycle life without sacrificing strength. ETN-62I has a more aggressive peel and shear strength, while ETR-62S features a **quiet closure system**.

- Material: Nylon
- Colors: Black, White, Clear
- Recommended Loop: 1057 Unnapped Loop (62I) / ETB-07 (62S)

PaiWrap®

Our lowest profile nylon molded hook combined with knit loop creates an ultra-thin and flexible fastener!

- Material: Nylon hook & loop
- Widths: Up to 12"
- Colors: Black, White, Others by request

Suli-Flanette Fabric Backing

This smooth, suede-like backing is offered with our Easy Tape® Molded Hooks. Suli-flanette can be applied to cuff links, patches, pull tabs, and more.

- Low Cycle: With ETN-21C hook
- Medium Cycle: With ETN-32C hook
- High Cycle: With ETN-62I hook

Shoelace/Draw Cord

Our Polyester shoelaces/draw cords are made to last in outdoor conditions. Choose from a wide range of shapes and weaves, from the most basic to the complex. We produce all of our shoelaces/draw cords, including the tips. Customization options also available!

Elastic

The Double Cross Grain Twill elastic is made of natural latex and features a combination of good elasticity and high durability. Suitable for straps, belts, military/tactical pants, and hunting and outdoor apparel.

Digital Woven Fabric

Take your camouflage pattern to the next level with our digital weaving capabilities! Simply give us the artwork file and our machines can weave it. From simple to complex designs, our jacquard looms can produce a wide range of intricate patterns.

Spacer Mesh

Spacer mesh has superb breathability and acts as a durable alternative to foam. FR Cal 117 compliant.

- Material: Polyester
- Width: 60"
- Colors: Black, White, Gray
- Thickness: 3, 4, and 5 mm
