Our Mission

PAIHO® North America is dedicated to providing the highest quality products and services through our manufacturing capabilities, value-added services, and commitment to serving our customers

History

- 1979** Taiwan PAIHO® Limited (initially called San Ho Shin) and Trihook® brand was established.
- 1986** San Ho Shin formed a joint venture with Velcro Companies and founded Velcro Taiwan Limited.
- 1990** Dongguan PAIHO® Textile Limited was established. The joint venture with Velcro Companies ended and Velcro Taiwan Limited was changed to Taiwan PAIHO® Limited, which is an independent company to date.
- 1997** PAIHO® International Limited was established.
- 1998** Spring Rich Limited was established to manufacture molded tape.
- 1999** Vietnam PAIHO® Limited was established.
- 2000** Taiwan PAIHO® Limited was approved by the Taiwan Securities & Exchange Commission to be a public company in January.
- 2001** Wuxi PAIHO® Limited was established.
- 2004** PAIHO® North America was established to expand sales and distribution services throughout the western market.
- 2006** Taiwan PAIHO® Limited receives the distinguished honor of being named one of the "Top 200 Companies Under \$1 Billion" by Forbes Asia.
- 2007** Taiwan PAIHO® Limited was awarded the fourth "Taiwan Superior Brand" award by Taiwan External Trade Development Council.
- 2008** Taiwan PAIHO® was awarded "The First Brand Certificate" by the Consumer Association of Taiwan.
- 2010** PAIHO® Group reintroduced the recyclable hook and loop product line with increased abilities to offer eco-friendly products.
- 2014** Indonesia PAIHO® was established increasing manufacturing capabilities on a global scale.

PAIHO® North America relocated to Chino, CA to allow for increased capacity in order to offer larger stock levels of apparel related and fabric items, better VMI programs, and additional in-house fabrication capabilities.

An additional North America office in Portland, OR was established to better assist with the design and development with our global brand partners.
- 2017** Vietnam Paihong was established to allow for larger capacity and increased technologies for manufacturing fabrics. Wuxi Paiwei Biotechnology Co. LTD was established in order to develop and manufacture respiratory protective equipment and medical grade face masks.

PAIHO® North America Environmental Policy

- PAIHO® North America is committed to conducting its business in a manner consistent with our commitment to corporate citizenship, social responsibility, and sustainability.
- Our goals are to provide products and services that are safe and sustainable, conduct our operations in a responsible manner, and create a work environment that enables PAIHO® North America employees to work injury-free.
- We integrate these objectives into our business planning, decision-making, performance tracking, and review process to ensure we achieve our goals and continually improve upon them.
- Each employee has an individual responsibility to understand and support our environmental health and safety policies and to actively participate in programs to ensure our goals are achieved.
- We believe our company must work with employees, suppliers, and customers to protect and enhance our health, safety, and environment.
