

QUALITY YOU CAN STICK WITH

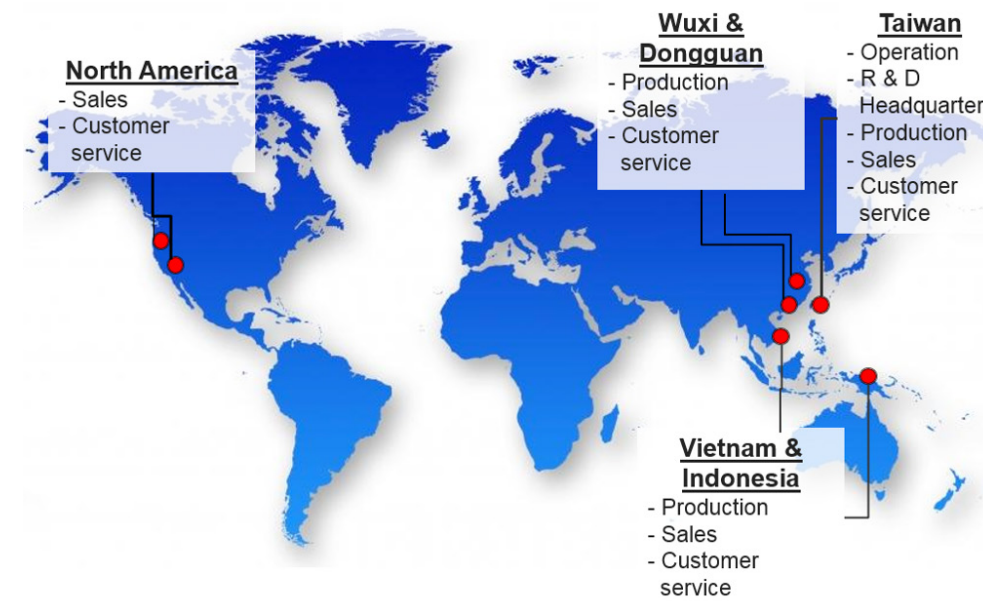

About Paiho

The PAIHO Group has been manufacturing hook and loop fasteners and other related products for over 35 years. With five manufacturing facilities across the world we have the capacity to produce more lineal yards than any manufacturer. Our products range from hook and loop to Easy Tape® molded hook, elastics, webbings/ trims, draw cords/ shoe laces, specialty fabrics and reflective products.

PAIHO NORTH AMERICA is the largest, factory owned hook and loop company in all of North America. Working with PAIHO North America means you still have the advantage of factory direct pricing without long lead times or communication delays. We pride ourselves on exceptionally high levels of quality in our products, along with our personalized services and short lead times. Our ability to offer **Vendor Managed Inventory programs, customized packaging solutions, and in-house fabrication** are just a few reasons why PAIHO North America has been named the preferred vendor for many globally known brands.

Worldwide Locations

Terms and Conditions

Minimum orders may apply. Orders less than the minimum will be subject to a service fee. Standard goods are subject to a 30-day return period from the invoice date upon approval. All returns must have an RMA Number which is assigned by our Accounting Department. Unauthorized returns will be refused. Restocking fee of 25% may apply. Special order and fabricated items cannot be returned.

Hook & Loop
Products

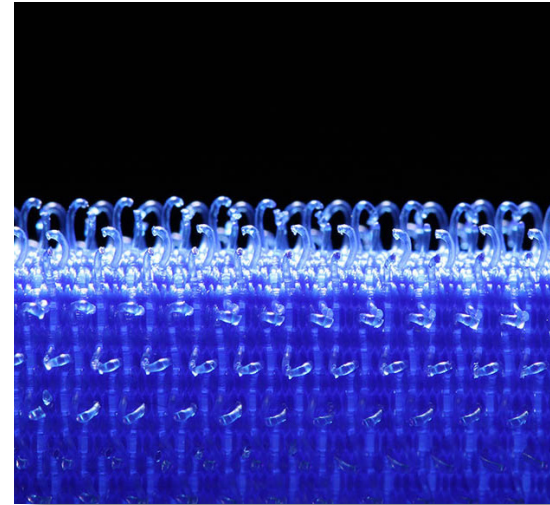

Woven Hook & Loop

An industry-leading touch fastener with extremely high cycle life. Certified to Military Specifications (Mil-Spec). Available in **back to back** format (hook-hook, hook-loop, or loop-loop).

- Hook: 9 mil
- Loop: Standard Napped
- Material: Nylon
- Colors: See color card
- Widths: 1/2"-6"
- Markets: All

	Peel (PIW)		Shear (PSI)			
Cycle	Hook & Napped Loop	Hook & Un-napped Loop	Soft Hook & Napped Loop	Hook & Napped Loop	Hook & Un-napped Loop	Soft Hook & Napped Loop
0	2.92	1.40	0.84	20.90	12.09	9.25
1000	2.58	1.20	0.73	16.98	10.53	6.40
3000	2.17	1.02	0.67	15.34	9.79	5.69

Soft Hook (8 mil) and Extra Soft Hook (6.5 mil)

Less aggressive hooks for applications requiring higher cycle life and lower peel and shear than the standard hook.

- Material: Nylon
- Colors: Black, White, Others by request
- Widths: 1/2"-4"
- Recommended Loop: Unnapped
- Markets: Medical, Apparel

AB Tape

AB tape is a self-engaging closure with hook and loop on the same side.

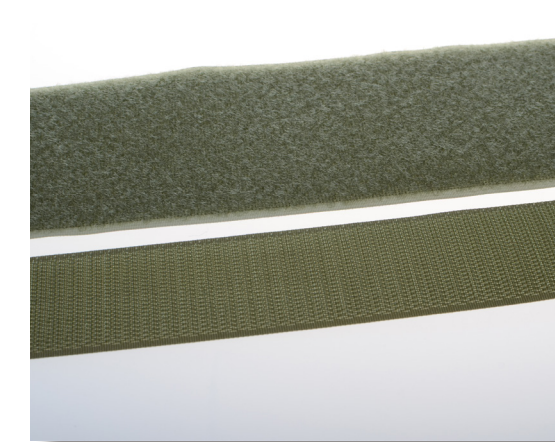

- Material: Nylon
- Colors: Black, White, Others by request
- Widths: 5/8"-4"
- Markets: Medical, Sporting

Polyester Hook & Loop

This product exhibits greater peel and shear strength in water and is resistant to fading when exposed to long periods of direct light.

- Material: Polyester
- Colors: Black, White, Others by request
- Widths: 5/8"-6"
- Markets: Marine, Outdoor

Fire Retardant Hook & Loop

Our standard hook & loop with fire retardant coating. Available with fire retardant pressure sensitive adhesive.

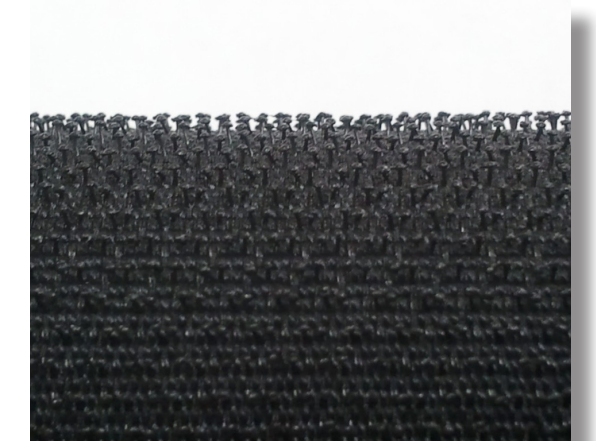

- Material: Nylon with FR coating
- Federal Aviation Regulation (FAR) Section 25.853(b) compliant
- Passes FMVSS 302 Flammability Test
- NFPA compliant
- Colors: Black, White, Others by request
- Widths: 1/2" - 6"

Mushroom Hook

The most powerful woven hook on the market. This low cycle closure provides extremely high peel and shear.

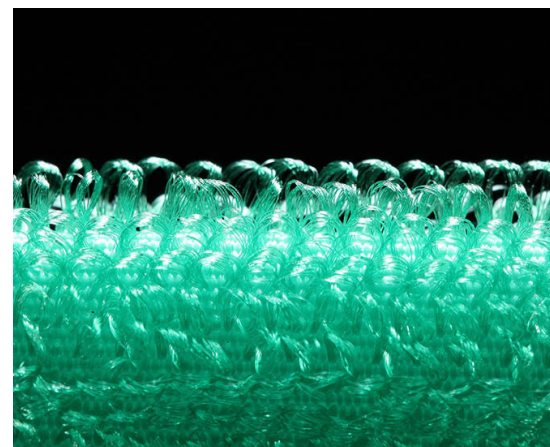

- Material: Nylon
- Passes FMVSS 302 Flammability Test
- Color: Black
- Markets: Automotive, Aerospace, Furniture

Unnapped Loop

For applications requiring a higher cycle life than napped loop with lower peel strength.

- Material: Nylon
- Colors: See color card
- Widths: 3/4"-4"
- Recommended Hooks: Soft Hook, Extra Soft Hook
- Markets: All

In-House Fabrication Abilities

Post-process is our specialty!

We have a large selection of die cut molds, along with slitting, cutting and welding capabilities. We also offer customized packaging solutions. Just tell us how you want it!
