Our Mission

PAIHO® North America is dedicated to providing the highest quality products and services through our manufacturing capabilities, value-added services, and commitment to serving our customers

History

- 1979** Taiwan PAIHO® Limited (initially called San Ho Shin) and Trihook® brand was established.
- 1986** San Ho Shin formed a joint venture with Velcro Companies and founded Velcro Taiwan Limited.
- 1990** Dongguan PAIHO® Textile Limited was established. The joint venture with Velcro Companies ended and Velcro Taiwan Limited was changed to Taiwan PAIHO® Limited, which is an independent company to date.
- 1997** PAIHO® International Limited was established.
- 1998** Spring Rich Limited was established to manufacture molded tape.
- 1999** Vietnam PAIHO® Limited was established.
- 2000** Taiwan PAIHO® Limited was approved by the Taiwan Securities & Exchange Commission to be a public company in January.
- 2001** Wuxi PAIHO® Limited was established.
- 2004** PAIHO® North America was established to expand sales and distribution services throughout the western market.
- 2006** Taiwan PAIHO® Limited receives the distinguished honor of being named one of the "Top 200 Companies Under \$1 Billion" by Forbes Asia.
- 2007** Taiwan PAIHO® Limited was awarded the fourth "Taiwan Superior Brand" award by Taiwan External Trade Development Council.
- 2008** Taiwan PAIHO® was awarded "The First Brand Certificate" by the Consumer Association of Taiwan.
- 2010** PAIHO® Group reintroduced the recyclable hook and loop product line with increased abilities to offer eco-friendly products.
- 2014** Indonesia PAIHO® was established increasing manufacturing capabilities on a global scale.
PAIHO® North America relocated to Chino, CA to allow for increased capacity in order to offer larger stock levels of apparel related and fabric items, better VMI programs, and additional in-house fabrication capabilities.
An additional North America office in Portland, OR was established to better assist with the design and development with our global brand partners.
- 2017** Vietnam Paihong was established to allow for larger capacity and increased technologies for manufacturing fabrics. Wuxi Paiwei Biotechnology Co. LTD was established in order to develop and manufacture respiratory protective equipment and medical grade face masks.

PAIHO® North America Environmental Policy

- PAIHO® North America is committed to conducting its business in a manner consistent with our commitment to corporate citizenship, social responsibility, and sustainability.
- Our goals are to provide products and services that are safe and sustainable, conduct our operations in a responsible manner, and create a work environment that enables PAIHO® North America employees to work injury-free.
- We integrate these objectives into our business planning, decision-making, performance tracking, and review process to ensure we achieve our goals and continually improve upon them.
- Each employee has an individual responsibility to understand and support our environmental health and safety policies and to actively participate in programs to ensure our goals are achieved.
- We believe our company must work with employees, suppliers, and customers to protect and enhance our health, safety, and environment.

Nylon Easy Tape

PAIHO's nylon easy tape series is a super light and thin alternative to the standard hook and loop. It offers great durability and super strong shear strength.

PAIHO® North
America Easy Tape®
Series

Application

Medical, POP/Graphic,
Packaging, Apparel, Sporting,
Aerospace, Automotive, Tactical,
Cable Management, Toys

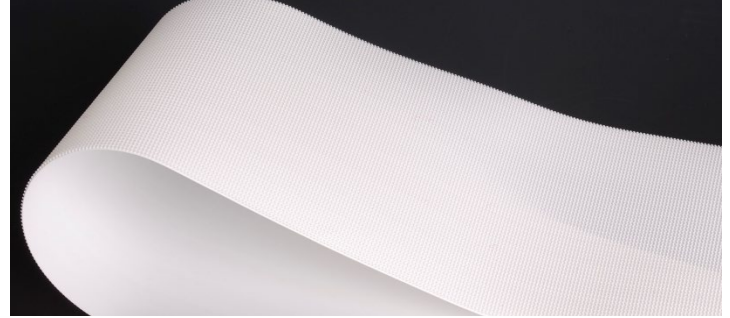

ETN-21C

Description: Thin, soft, and smooth ETN-21C is a cold resistant nylon hook that is recommended to be paired with the ETB09 loop.

Colors: Black, White, Clear

Application: Medical, POP/Graphic, Packaging

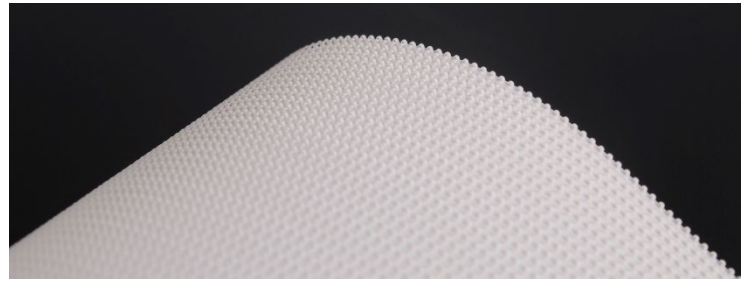

ETN-32C

Width Range: A more durable fastener compared to the ETN-21C, but has the same thin, soft, and smooth features.

Colors: White, Clear

Application: Medical, POP/Graphic, Packaging, Tactical, Toys

ETN-62I

Description: Thinner, but stronger than the traditional hook and loop.

Colors: Black, White, Clear

Application: Industrial, Tactical, Sporting, Medical

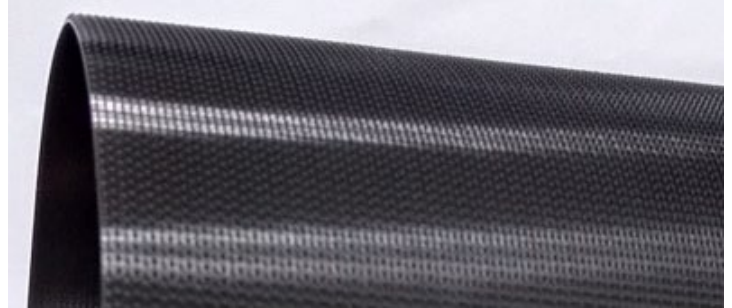

ETN-72I

Description: Softer than the ETN-62I, but the cycle life is as comparable.

Colors: Black, White, Clear

Application: Apparel, Aerospace, Automotive, Tactical

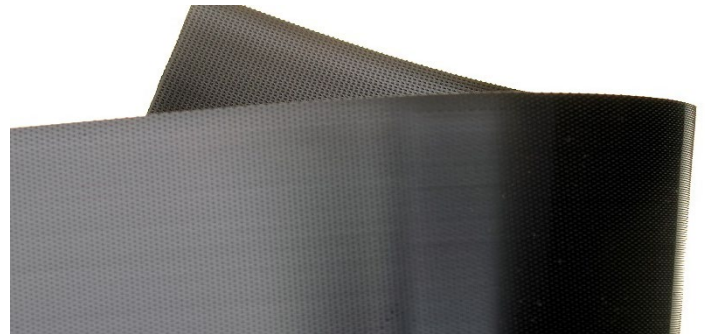

ETN-21C + ETN-32C

Description: Our ETN-21C back-to-back without ETN-32C.

Colors: Black

Application: Medical, Tactical, Cable Management

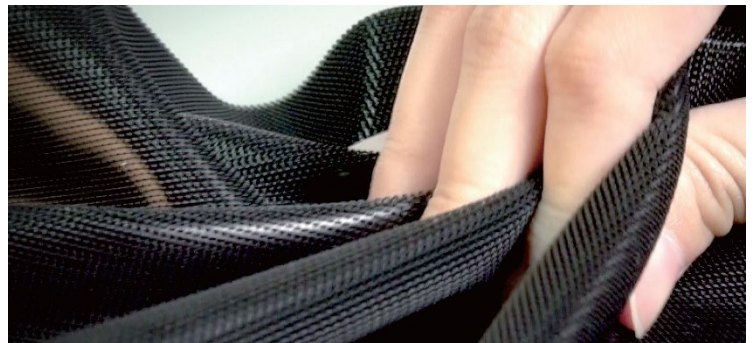

ETR-62S

Description: Our ultra-soft molded hook that enables a better compliance on products.

Colors: Black, White, Clear

Application: Medical, Tactical, Footwear, Sporting

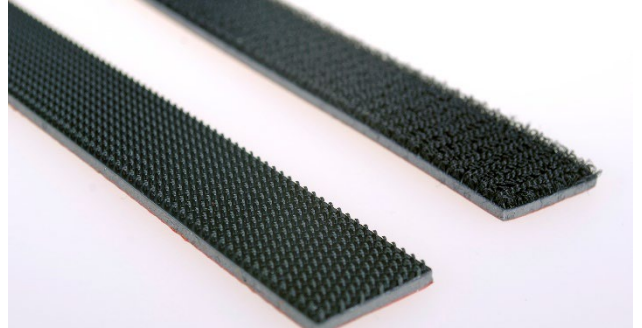

PAIGRIP ETN-82I

Description: Our most aggressive Easy Tape paired with our unnapped loop. It's great for applications that require strong and durable hold and grip.

Colors: Black, White, Clear

Application: Flooring, Roofing, Automotive, POP/Graphic, Industrial, Furniture

PAIWRAP

Description: Our lowest profile molded hook combined with our knit loop to create an ultra-thin and flexible back-to-back fastener.

Colors: Black, White, Others by Request

Application: Cable Management

Polypropylene Easy Tape

PAIHO's polypropylene easy tape series is a super light and thin alternative to the standard hook and loop. It offers great durability and super strong shear strength.

PAIHO® North
America Easy
Tape® Series

Application

**Medical, POP/Graphic, Packaging,
Diapers, Disposable Products, Cable
Management, Gardening, Electronics**

ETP-21C

Description: Strong and more durable than ETN-32C, Applicable for products with frequent use.

Color: Black, White, Clear

Application: POP/Graphic, Packaging

ETP-56S

Description: The first design of its kind in the diaper hook industry. Offers both stable peel and shear strength, along with ultra-softness. Perfect for disposable applications.

Colors: White, Clear

Application: Medical, Diapers, Disposable Products

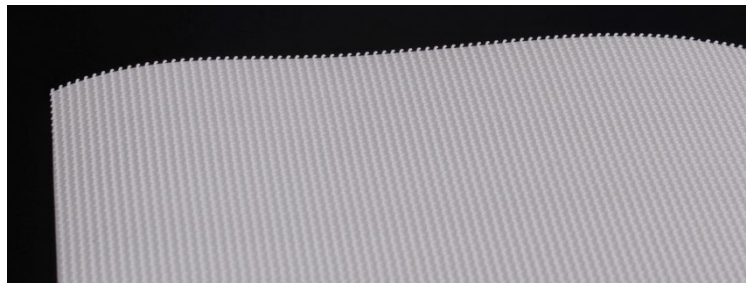

ETP-26S

Description: High recycle strength without damaging loop.

Colors: White

Application: Diapers, Disposable Products, Packaging

POLYWRAP

Description: The polypropylene version of our PAIWRAP is a more economical solution for disposable and low cycle application.

Colors: Black, White, Others by Request

Application: Cable Management

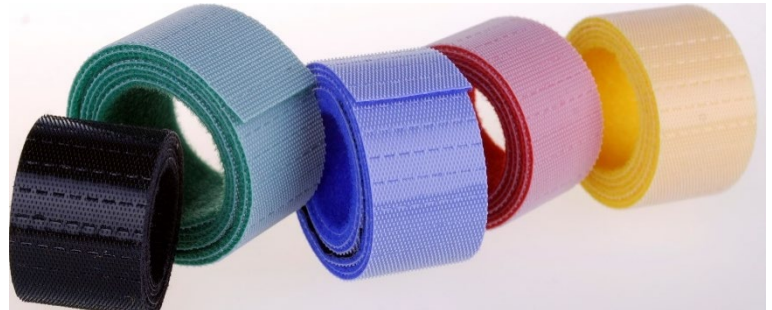

PAIWRAP EASY TEAR

Description: The first hook and loop product that allows you to simply rip off the piece you need. No cutting required and it performs well in all-weather environments.

Colors: Black, Green, Yellow, Blue, Red

Application: Gardening, Cable Management, Electronics

Knitted Loop Series

PAIHO's knitted loop series was created to pair with our Easy Tape hooks. Each loop is recommended to be paired with certain hooks depending on application.

PAIHO® North
America Easy
Tape® Series

Application

Post- Treatment & Fabrication

Post-process is our specialty! Offering you in-house fabrication abilities with a large selection. From die cut molds, along with slitting, cutting, and welding, to custom printing and special packaging. Just tell us how you want it!

PAIHO® North
America Easy
Tape® Series

Application

All General Applications

Die Cutting

Description: Our in-house machines are used to mass-produce cut-out shapes, such as coins and tabs, for many applications. Contact us for more details.

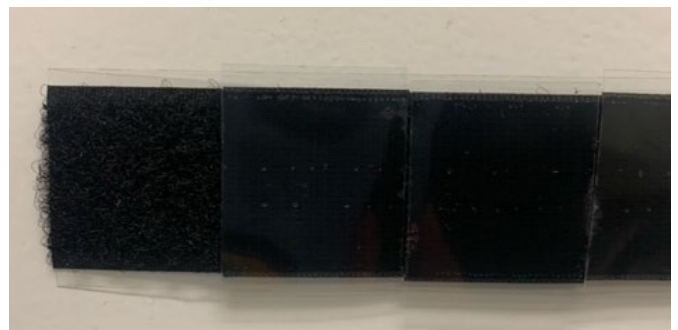

Straight Cutting

Description: Our in-house machines are used to mass-produce straight-cuts for many applications. Contact us for more details.

Kiss Cutting

Description: Also known as back slitting, our in-house machines create a kiss cut that gives you a 'crack and peel' product for easier removal. Contact us for more details.

Custom Printing

Description: Custom printing and welding can be used to make your own unique items such as company logos and welded straps! Great for promotional products/services and advertising with every use.

Custom Cable Tie

Description: Our custom cable ties can be customized with colors and printed logos. Great for businesses, cable management, and other strapping requirements.

Custom Ultrasonic Welded Straps

Description: Our custom ultrasonic welded straps can be customized with colors and printed logos. Great for businesses, cable management, and other strapping requirements.

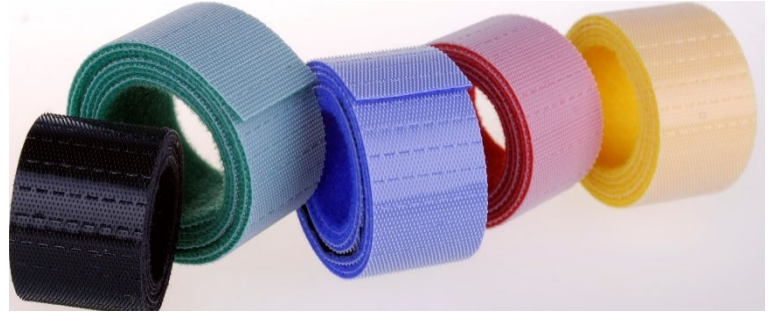

PAIWRAP EASY TEAR

Description: First hook and loop wrapping product that allows you to only rip off the piece you need. No cutting required.

Raw Material: Polypropylene hook, Nylon loop

Colors: Black, Green, Yellow, Blue, Red

Application: Cable Management, Home

Cuff Tabs

Description: Easy Tape is used to create cuff tabs for a super light, thin, and strong shear strength. Contact us for more details.

Special Packaging and Private Labels

Description: Make sure your packages are visible for the world to see with our special packaging and private label options. Contact us for more details.
